Bill – Do I find another day for both Martin and CDPHE or do you think you could meet with CDPHE? See below.

Noah – Martin wanted to meet with Doug Jamison & Monica Sheets at CDPHE on the Upper Animas. Doug has responded that they are available next Monday

all day except for a conference call from 11 am -12 pm. Please let me know ASAP what time Martin has available to meet with CDPHE. I think (but not sure) that this can be a conference call meeting instead of face-to-face. Perhaps you can check with Martin as to his preference with CDPHE.

Thanks.
